Thomas A. Edison -- In Your Home?

That is what happens when an Edison comes into your home. The wizardry of Edison-the Master Product of his Master Mind-furnishes you with years and years of entertainment—all the best music of all the world—reproduced in a superior way that none but Edison could accomplish.

The NEW EDIS

Among the large number of pho-

nographs and "talking machines" on the market, the genius of Edison makes his phonograph stand out as the one perfect instrument for your home.

Thousands of families in the U.S. A. have purchased phonographs hastily, without careful comparison-and as a result they are repenting their choice at leisure. You can safely trust the phono-

graph that has been perfected by the greatest inventor of the age. Choose the Edison and you will never regret your selection. The longer you possess an Edison the more you will appreciate its marked superiority over ordinary phonographs and "talking machines."

Its marvelous, pure tone will afford perpetual delight to your-

self, your family, your friends. No metallic sound or shrillnesscommon phonograph faultsnothing but pure melody in every note from your Edison.

No needles to change, with constant bother and expense. The genuine Diamond Point Reproducer of the Edison is permanent. And the wonderful Edison Re-Creations are practically unbreakable and everlasting. You can handle them quickly, carelessly-yes, drop them-without fear. (You know how easily other phonograph records are broken.) And on these Edison records you have all the world's best music-the greatest singers, the latest songs and dances-to select from.

We will gladly demonstrate the superiority of the Edison to you at any time. Come in today, tomorrow-bring the family along.

NO NEEDLES TO CHANGE-PLAYS ALL DISC RECORDS.
